

**Quality:** PU85A  
**Article No.:** FBZRP85A150R  
**Color:** ultramarine blue

| GENERAL PROFILE INFORMATION |                             |                        |                     |
|-----------------------------|-----------------------------|------------------------|---------------------|
| Profile Category            | Round belts                 | k1% relaxed (standard) | 104,3 N   594,8 lbf |
| Profile design              | with reinforcement          | k1% static (standard)  | 130,3 N   743,5 lbf |
| Type of reinforcement       | Glass fibre PU, weldable    | k1% relaxed (overlap)  | n/a   n/a           |
| Processing Type             | n/a                         | k1% static (overlap)   | n/a   n/a           |
| Recommended Min. pulley Ø   | 155 mm                      | Standard Roll          | 50 m                |
| Max. Preload                | n/a (Stoß)   n/a (Überlapp) | Chemical Resistance    | upon request        |
| Weight                      | 21,5 kg/100m                |                        |                     |
| Temperature Range           | -20°...+60°C                |                        |                     |

| SPECIFICATIONS                    | PROFILE                            | COATING |
|-----------------------------------|------------------------------------|---------|
| Type of material                  | Polyurethane                       | n/a     |
| Approx. Material Hardness (Shore) | 88° Shore A (±3)                   | n/a     |
| Color                             | ultramarine blue                   | n/a     |
| Diameter Ø                        | 15 mm (19/32 inch)                 | n/a     |
| Surface                           | roughened                          | n/a     |
| approx. Coefficient of Friction   | Steel: 0,45   PE: 0,3   HDPE: 0,25 | n/a     |
| Features                          | with reinforcement                 | n/a     |
| n/a                               | n/a                                | n/a     |
| n/a                               | n/a                                | n/a     |
| n/a                               | n/a                                | n/a     |
| n/a                               | n/a                                | n/a     |
| n/a                               | n/a                                | n/a     |

**CONFORMITY**

The statements above are results of the in-house quality testing. They contain no guarantee of properties and in particular do not contain statements about the suitability of the product for a specific purpose, so that no claims against us can be derived. The information does not relieve the purchaser in particular by its commitment to the input control.
